***Allowable Subject Matter***

1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: One of the limitations not taught by the prior art made of record is a method/apparatus for controlling a moving mechanism comprising a controller outputting drive signals for the moving mechanism based on positional information received from a position detector, a speed signal set by a speed regulator, an acceleration signal, and the distance that the mechanism travels, wherein when the mechanism has to reach a start point or an end point the controller moves the mechanism at a speed lower than the constant speed command.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I Duda whose telephone number is 571-272-2062.
